The Egham Museum Trust

The Egham Museum is governed by The Egham Museum Trust, an independent organisation and a registered charity (no. 278422).

The Egham Museum believes that museums are more than the sum of the contents of their display cases. Museums should be creative and dynamic organisations that seize the opportunities available to better serve and engage with their communities.

As such, we work with a variety of partners on various projects and initiatives. From hosting conferences and conventions, producing pop-up exhibitions, carrying out oral history, creating documentaries, to offering placements and internships for students.

The Trust relies on grants and donations in order to cover running costs of the Museum. The Museum is supported by a team of dedicated volunteers who are vital to our ongoing success. You can be a part of this through your support as a Patron.

Vision

A museum for all, valued by our diverse local community and at the heart of our cultural lives.

Mission

Through our collections, exhibitions and outreach programmes, we provide a centre of life-long learning that raises awareness, shares knowledge and promotes enjoyment of local history.
